

Washington D.C.

Jan 30th / 1876.

Mr Wm L. Garrison
Dear Sir.

I hasten to express my
sincere feelings of
gratitude for your kind
influential, and much
admired letter of
introduction to the
Senators and Repres-
entatives of your State, at
Washington. They appreci-
ated the weight of the letter
as coming from you, and
at once obtain for
me the situation of
Engineer in the U.S.

Treasurer at Washing-
ton. In view of this great
favor conferred, allow me
again to express my
most grateful feelings,
and most sincerely hope
that - I may ever continue
to enjoy your kind
consideration and approval.

I received my appo-
intment on the 19th,

The position is certainly
one that - I greatly
appreciate, as there
is much honor and
responsibility attached
to it, and I am proud
that the knowledge
and instruction

imparted to me in
the Eastern A. T. R. Shop
in Boston have not

been forgotten but on
the contrary had grown
more profitable and
extremely gratifying
to me and my
friends

I remain yours Truly
